

~Without a Guiding Star~

*"In the time of King Herod, after Jesus was born in Bethlehem of Judea,  
wise men from the East came to Jerusalem, asking,  
'Where is the child who has been born king of the Judeans,  
for we have seen his star at its rising, and have come to pay him homage'."* ~Matthew 2:1, 2

Members and Friends,

The hope-filled season of Advent was shattered this year by perhaps the greatest "manmade" tragedy in recent history. The murder of twenty-six schoolchildren and teachers in Newtown, Connecticut, has gripped the hearts of people all the world over. One popular slogan that has arisen out of the trauma of the Sandy Hook School shooting is this: "Teachers stand up to gunman, but Congress won't stand up to NRA." Everyone is looking to our divided and beleaguered Congress—at last—to work out a solution to the gun control problem in this country. Does it make sense for citizens—even mentally ill citizens—to have access to military assault weapons? The NRA has been silent about the events at Sandy Hook Elementary. And the question rapidly becomes politicized, but it's encouraging to see that people of all political bents are beginning to agree: These shootings must stop. Perhaps we will finally reach some consensus around this issue.

The incident that took place in Connecticut is the constant backdrop to life in America right now. And as I—a preacher—dwell upon these horrific events, wondering how to speak about them from the pulpit, I'm reminded of an ancient story related to Matthew's Christmas narrative: The Slaughter of the Innocents. In Matthew 2:13-23, Joseph is warned in a dream to flee from Bethlehem, and to take Mary and the Baby Jesus into Egypt, to escape the murderous reach of King Herod. The jealous king, in an attempt to prevent any newcomers from dethroning him, murders all the children in Bethlehem two years of age and under.

Margaret Tinkler wrote a poem that combines the dark side of Matthew's Christmas story with references to the Sandy Hook shooting, and she dedicated that poem to Bower Hill's own Josie Sheldon, director and producer of our children's pageant:

*Lost in America*

**This year Advent is broken. Right  
Ahead of the time for our Joy  
The slaughter of innocents cradles  
inside a Connecticut wood.**

**The green of the hemlocks  
With tiny brown cones; the leafless  
tall maples that trace winter skies  
Are still without snow.**

**The mind of King Herod, not content  
With time past, arrived from afar.  
In the mist of the woods this lackaday king  
So ill he was - without a guiding star.**

©Margaret Tinkler, written for Josie Sheldon (nee Wright).

It's hard to know what to say at times like these, but I believe the poet is right: We're all lost without a guiding star. Our prayers are with the people of Newtown, and with our Congress, and with all those who are too ill or too blind to see the bright star that leads us to joy-filled, hope-filled lives. That same star leads us to worship at a child's cradle. Happy Epiphany.

## MOM'S GROUP AT BOWER HILL

For all you moms of very small children out there, we want you to know you are not alone at Bower Hill. On Wednesday, January 9<sup>th</sup>, from 10:00 a.m. -11:30 a.m., any interested mom (or dad) is invited to get out of their house and come have some adult conversation with other people who "get it." We will meet in the nursery for our first meeting, although that could change over time. On that day, the group will decide how frequently to meet. Contact Ruth Robbins, Trisha Eliason, or Michelle Snyder for details.

## FOOD DRIVE: EVERY SECOND SUNDAY EACH MONTH

Wallace Food Pantry is working to collect food items that they will need to provide supplies to all their client families. The primary need is for "heartly" complete meals and sides, such as chunky soups, tuna and "helper" mixes and boxed staples like potatoes. Basics like dry cereal, canned tuna, and soups are always appreciated.

## HAITI PRESENTATION AND POTLUCK

On Sunday, January 6th, following communion in worship, we will take our 'communion' to the fellowship hall for an all-church potluck brunch and a presentation about their trip by our very own Haiti team. This will be in place of all adult education on this day. And in the spirit of solidarity with our Haitian brothers and sisters, each person is being asked to try to bring a healthy dish that serves at least six people for under \$5.00.

## PRODUCE TO PEOPLE NEEDS VOLUNTEERS

Bower Hill will be a coordinating congregation for Produce to People on January 19. Produce to People provides fresh fruits, vegetables and food to families and individuals at risk. Produce to People is a joint venture of the Presbytery and the Greater Pittsburgh Food Bank. Please sign up in the narthex and join us at 8:30 on Saturday, January 19.

## SENIOR MEN'S GROUP: WEDNESDAYS

Senior men's breakfast will meet on Wednesdays, January 2 and February 6. The group convenes at 8:00 a.m. at Kings Restaurant on Rte. 50, Washington Pike near the end of Greentree Road, in Scott. The gatherings will continue to be on the first Wednesdays of the month through April. We normally have eight to twelve men attend. There is no agenda other than good fellowship and interesting conversation. No invitation or reservation is needed. We meet in the room to the left of the cashier.

## BOOKWORMS

Bookworms is our ladies' book discussion group. It meets on the third Tuesday of each month at 7:30 p.m. in the Friendship Room at BHCC, for fellowship and discussion of a chosen title.

**January:** *Gabby* by Gabrielle Giffords & Mark Kelly

**February:** *Snowman* by Jo Nesbo

## NEWSLETTER TEAM NEEDS VOLUNTEERS

Did you know that the BHCC newsletter is folded, sealed and prepped for mailing by a team of volunteers? On the fourth Thursday of every month, the "Newsletter Ladies" meet at noon to process the mailing. It takes a team of 6-10 to do this task effectively and there is an ongoing need for volunteers. Contact the office or speak to Dottie Carter to learn more.

**A NOTE FROM DAVE HICKS ON MIRYAM'S HOUSE**

Dear Friends,

There are not too many mission projects that last continuously for 20 years, but Bower Hill's involvement with and ministry to the homeless women at Miryam's House has done just that. The best I can tell, it has probably been a few years longer. Each and every Sunday, some member of our church picks up produce provided by the Market District Giant Eagle at Village Square in Bethel Park/Upper St. Clair and takes it to Miryam's located on Fifth Ave., downtown, near Consol Center. We need more volunteers, someone to take the fifth Sunday each month (usually five times each year), and more people to be substitutes when one of the "regulars" can't do it. It is not difficult, requires about two hours on a Sunday, an SUV, station wagon or pick-up truck, and some lifting is involved.

Especially at this time of the year, we give thanks for our families and friends; we are acutely aware of the many ways that God has blessed us. Each of us, in our own way, wants to have a positive impact on our community, to make a difference. If you agree, I have just the opportunity you may have been looking for. Please call me at 412-833-7753 and I'll be happy to answer any questions that you might have. Have a great 2013.

Faithfully,  
Dave Hicks

Greetings from the BHCC Youth Group.

We hope everyone had a wonderful Christmas celebration, and we thank God for the many gifts we continue to be blessed with. The Christmas Wreath Sale went incredibly well and we would like everyone to know how grateful we are for your continued prayers and support. In the month of January, the Youth will be going ice skating and continue to serve our community. In addition we will be having our "hoagie sale" as playoff season gets in full swing.

Thank you for your continued love, prayers and support.

**CHANCEL CHOIR: WEDNESDAYS AT 7:15 PM**

Thank you to all those who provided special music throughout Advent and for the Christmas Eve service: the Chancel and Handbell Choirs, Jason Robosky, Rich Salvante, and Jason Rising. Thank you for taking the time to provide more music during Worship! Thank you also to those who participated in and helped with the Christmas Pageant, and those who continue to help out with the Acolyte Program, and the Sound System Operators. Your time and energy to help out on a weekly basis are much appreciated!

There's a contemporary musical group called Point of Grace, that recorded a great piece called *One King*. It talks about the journey of the three kings travelling to Bethlehem, following the star, which is what we always celebrate on the Sunday of Epiphany. The haunting melody of this piece is so moving, the tiny refrain are the simple explanation of this holy day.

*One king held the frankincense, one king held the myrrh,  
one king held the purest gold,  
and one King held the hope of the world.*

**ADULT EDUCATION**

Adult Education resumes January 13. Topics being arranged for January and early February include end-of-life issues regarding both spirituality and legal arrangements; Christianity and singleness; and the Pennsylvania legislature's social service and justice issues. At the deadline for this newsletter, the adult education committee was still working with speakers on specific dates for these subjects. Specifics will be announced in Sunday worship bulletins and on the church web site.

On **Sunday, January 6**, the Parish Life Committee has scheduled a pot luck dinner with a presentation by the Haiti Water Project team.

Adult discussion sessions are held in the church library at 10:45 AM each Sunday unless otherwise announced. Dave Green is chair of the adult education committee. Phone 412 531 2205. Email [davegreenpgh@aol.com](mailto:davegreenpgh@aol.com).

**OPEN SPACES: ADULT DISCUSSION**

Everyone is welcome to join Open Spaces which meets in the Friendship Room during the adult education hour—10:45 a.m. -11:45 a.m. Each week we will have a focused discussion on a relevant faith topic. It's a great opportunity for questioning and spiritual growth in an open environment. Child care is provided.

**GREETERS AND USHERS UPDATE**

Included in this newsletter is the updated list of greeters and ushers assignments for the church year from January to August. All members are included in the assignments, so please note your date and mark your calendars. As was announced in September, greeters are asked to also serve as ushers. Each usher captain, Bob Winnett or Keith Mason, has several regular members of their respective teams who serve every Sunday in alternating months. But those regular ushers are not always enough.

So as you take your position as a greeter, please also report to the usher captain, Bob or Keith, for an additional assignment, such as offering bulletins or taking the offering. Greeters should plan to arrive at BHCC by 9:10 a.m. on their assigned Sunday. There are greeter name tags on the shelf in the church

office as you come in the door. Please wear your badge and return it when church is over. If there isn't one, please let Emily know so we can get one for you. If you are unable to complete this task on your assigned date(s), please arrange with someone else on the list to exchange assignments. We're counting on everyone on the list to help make Bower Hill Community Church the most inviting church in town.

If we've missed anyone in the list who would like to be a greeter, we apologize. Please see one of the ushers to have your name included as a substitute. The duties of an usher are the same as a greeter. Smile and welcome worshippers.

Thanks in advance from the Worship & Music Committee for your support.

### We're back from Haiti

*We hope many of you will be able to attend our Haiti Presentation on January 6<sup>th</sup>. If you do not, corner any one of us and we will gladly share our experience. We want you to know that BHCC was part of something incredibly meaningful and joyful...bringing the gift of clean water to two communities in Haiti! We wish you could have been there to personally witness the enthusiasm of the Haitians, both young and old, as the systems were dedicated and the people tasted their first sip of clean water! Two villages are drinking CLEAN PURE water and are on their way to better health. Better health leads to energy and the ability to learn and that leads to change! Your financial support, encouragement and prayers made this possible and for that we are most grateful.*

*Following is the project summary Rick Jacobs put together. We thought it appropriate to share it with you.*

### Project Summary

The Bower Hill water team completed installation of Living Waters for the World (LWW) solar powered water systems in Torbeck and Chaveneau, Haiti, on December 2, 2012. This is a report of the success of these projects.

In September 2011, six members of Bower Hill Community Church attended Clean Water University in Oxford, MS, for training in establishing covenant relationships, constructing water purification systems, and training operators and health educators. In 2012, we sent one person to Clean Water U and four additional people to Solar School in Ferncliff, AR, to learn how to connect solar panels and install electrical controls for water purification systems.

Last February, a small team from Bower Hill Community Church went to Haiti, where we signed a covenant with Pere Jean Phillippe Jean Alphonse of St Paul's Episcopal Church in Torbeck. We agreed to pay for construction of a water treatment building, to install a solar powered water purification system, to train operators and health educators, and to pay operator salaries for at least one year. Shortly after that trip, we learned of a non-profit organization called Hearts United with Haiti (HWH) that is providing financial and other assistance to a school and church located in the rural village of Chaveneau. Working with Crystal Funk, Director of HWH, we were able to develop a second water project at this location. HWH installed a new well, and Bower Hill agreed to provide the same covenant services as for Torbeck. (A covenant with Chaveneau was signed in November).

Throughout 2012, we raised money, constructed a mock-up system, practiced our installation skills and generally shared the message of clean water with as many people as possible. Several churches contributed money raised by children attending Vacation Bible School based on LWW curriculum. We also received additional grants of \$15,000 from Solar Under the Sun for two solar powered water purification projects in Haiti. By early fall, with God's help we had raised sufficient funds to complete both projects, so we made plans to travel to Haiti after Thanksgiving and install both systems. We purchased all the water system equipment, electrical components, fittings, tools and wiring necessary to construct the systems, and ordered the Solar panels, batteries and components that we could not carry from Green Energy Solutions in Haiti. The weekend after Thanksgiving we packed all the equipment into 19 suitcases to be carried down with the team.

Our team of eight people arrived in Port Au Prince on November 27. We were met by members of the Living Waters Haiti network and by Crystal and Redgi from Hearts United with Haiti. Because of a late arrival, we spent the night in Port Au Prince, and departed for Torbeck early the next morning. We arrived in Torbeck at noon, and immediately started unpacking and dividing the equipment. We were joined by additional Haitian technicians, who had already mounted the solar panels at both locations.

Over the next four days, the team split into two groups. With assistance of the Haitian technicians, we completed the installation of the water systems at both sites in 2 1/2 days. Hygiene training was conducted in Torbeck on Wednesday and Thursday and in Chaveneau on Friday and Saturday. 25 people were trained as hygiene educators. The water systems were tested and 8 operators were trained at both locations on Saturday. Clean water was produced and distributed at Torbeck on Saturday. On Sunday after worship services, both systems were blessed, dedicated and celebrated. Several hundred people attended the dedications, and everyone was very happy to receive the gift of clean water. More than 200 bottles of water were distributed. The Bower Hill teams participated in the celebrations and then departed for Port Au Prince, returning to the US on Monday, December 3. A daily blog with pictures and details of our experiences in Haiti can be accessed at <http://bhccinhaiti.blogspot.com>.

The cost for the systems, excluding training, but including the building costs at both sites, is approximately \$31,000 each. Training costs of more than \$10,000 are added to these costs. Sources of funds for these costs are provided below:

|                                 |                 |
|---------------------------------|-----------------|
| <b>GRANTS</b>                   |                 |
| Pittsburgh Presbytery           | <b>\$15,000</b> |
| Solar Under the Sun             | <b>\$15,000</b> |
| <b>FUNDRAISERS</b>              |                 |
|                                 | <b>\$19,200</b> |
| <b>PRIVATE DONATIONS</b>        |                 |
|                                 | <b>\$16,010</b> |
| <b>BOWER HILL MISSION FUNDS</b> |                 |
|                                 | <b>\$ 9,450</b> |
| <b>MEMORIAL AND OTHER GIFTS</b> |                 |
|                                 | <b>\$ 6,480</b> |
| <b>TOTAL</b>                    | <b>\$81,140</b> |

From these numbers, it is apparent that Pittsburgh Presbytery grants accounted for approximately 18% of the funds raised and Solar Under the Sun grants accounted for another 18%. So nearly 2/3 of the total funds were raised through the efforts of Bower Hill Community Church. This meets all the requirements for the grants received from Pittsburgh Presbytery. Congratulations to all of you who contributed to our success.

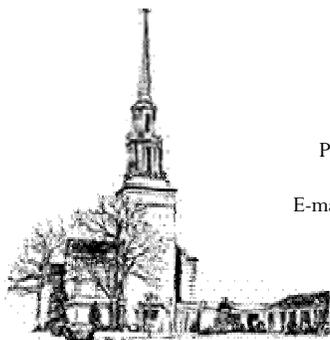

Bower Hill still has nearly \$11,000 remaining from 2012 fundraising efforts. Our church is very excited about continuing this mission. We are contemplating installation of an additional water purification system at Camp Perrin, Haiti, sometime next year, and perhaps a fourth system if we can raise the money. We would welcome additional grants from Pittsburgh Presbytery, various Rotary clubs, Solar Under the Sun and Living Waters for the World to assist us with these installations. We now have a proven team of installers and educators who are enthusiastic about their involvement with Living Waters and Solar Under the Sun in Haiti. We are relying on God to provide the opportunity for us to be of additional service to his will.
